Dear Mr. Neimeyer:

The Carbondale Historical Society will present a talk/illustrated lecture on the Delaware and Hudson Canal Company's Gravity Railroad on February 3, 1983, at 7:30 P.M. in the Auditorium at Saint Joseph's Hospital. Several members of the Carbondale Historical Society will participate in this presentation which, as we see it now, will conclude with a screening of the film about the Delaware and Hudson Canal entitled "The Canawler."

I hope that your schedule is such that you will be able to attend and participate in this presentation. We would be very pleased if you would tell us about your Gravity Railroad smoker car.

Sincerely,

S. Robert Powell
